Partner for progress

Date Issued: 15th March 2016
Date Expired: 15th March 2021

Description: "AquaGrip" range of couplings and flange adaptors with ductile iron and steel bodies with a black thermoplastic polymer (Rilsan Nylon 11) coating and EPDM seals. For use with MDPE and HDPE pipes above and below ground use. Maximum working pressure 16.0 bar up to 180mm and 13 bar from 200mm to 630mm

Product Designation: AquaGrip

This is to certify that the above range of products manufactured / supplied by

Crane BS&U (Viking Johnson)

has been tested and found to comply with the requirements of the Water Supply (Water Fittings) Regulations 1999 for England and Wales, the Water Byelaws 2000, Scotland and the Water Regulations Northern Ireland.

This certificate must be read in conjunction with the acceptance letter for this product.

This approval is intended for compliance with the above Regulations and must not be considered equivalent to the product certification provided by Kiwa N.V.

To comply with the Regulations and Byelaws all products require the correct installation. Details of the installation requirements (IRN's) can be obtained from the acceptance letter supplied with this certificate.

Applicable IRN's for this certificate – R001
