

WE HEREBY CONFIRM THAT

The procedures to obtain the EPD certification (Environmental Product Declaration) in accordance with the standards ISO 14025 and EN 1580 the product branded ITFLEX C1 are currently in progress as per our agreement with the Greenwich srl consulting company signed the 16/09/2019.

The certification procedures are carried out by the following consulting companies:

- Greenwich srl: project referent persons for the elaboration of collected data given by the company are Mr. Mario Pinoli and Ms. Rossella Luglietti through the LCA (*Life-Cycle Assessment*) study of the product under exam.
- ICMQ, (Italian Institute for Quality Control) certification body
- EPD Italy, national accredited issuing certification authority that verifies the endorsement and awarding of the EPD mark.

The awarding of the EPD mark is expected for March 2020.

Milan, 21.10.2019
